

JOINT TOTAL ASSET VISIBILTiy (JTAV)

- JTAV is a system that will allow the user visibility of inventory levels for all Services and DLA. Data includes all classes of supply, units, personnel and medical patients. In addition it contains information on fuel, ammunition, war reserve stocks and personnel.

- Upgrades in process include tracking of unserviceable components in route to repair facilities, assets in repair at commercial facilities and processing of information on retail assets for redistribution.

- System information:** Must have a 486 computer with Netscape version 4.0

- Requesting a USER-ID and Password:**

- ????? No information on getting data for user id or password noted**

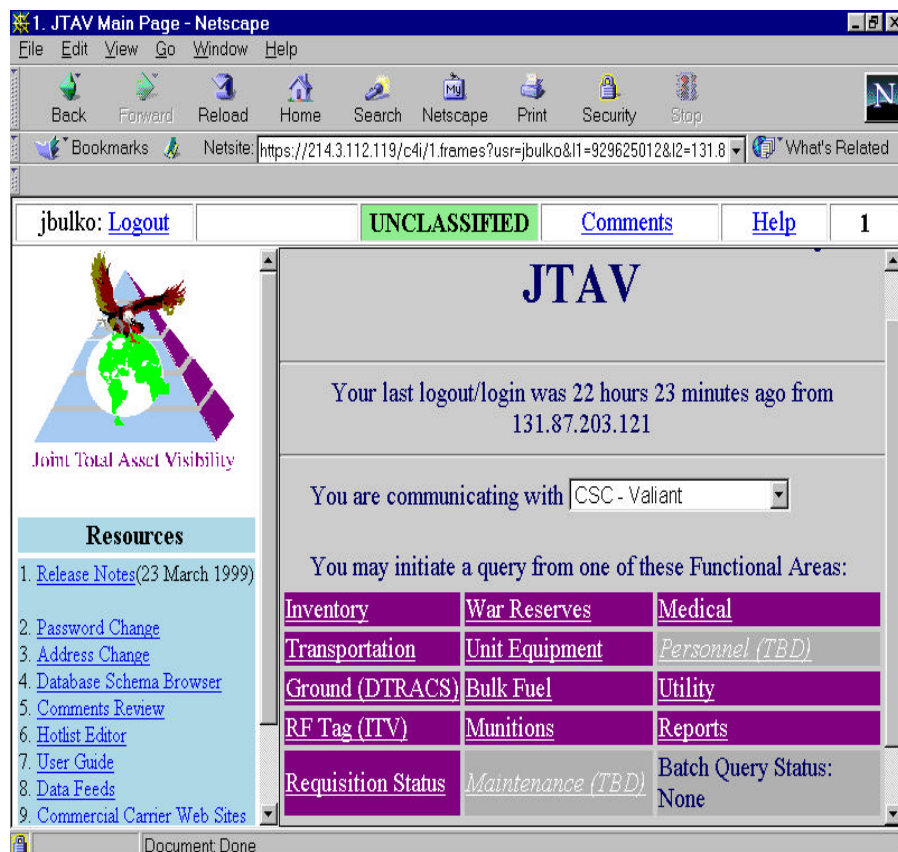

- POCs:?????? NEED TO FILL IN**

- Logon Step by Step Process:**

JTAV Main Menu

- Once logged into the system, the following screen will appear.
- Choose from the query choices below in the purple boxes:

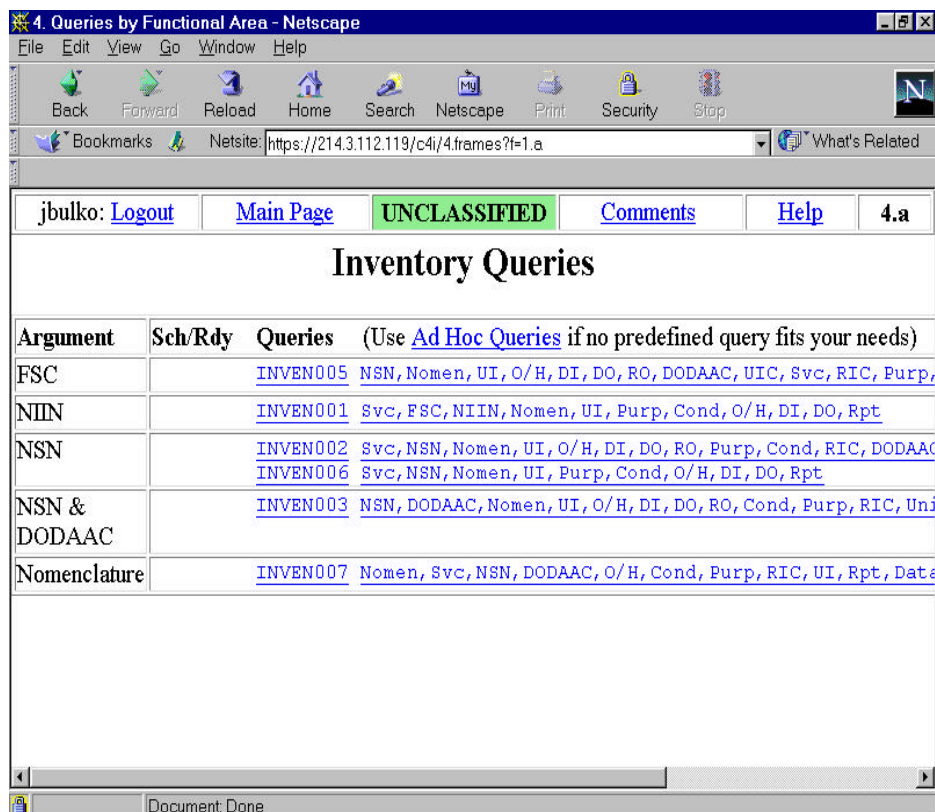

Example: Select Inventory

Inventory Queries Menu

The Inventory query allows you to query by :

- FSC - NIIN - NSN - NSN & DODDAC - Nomenclature

For the example: Select INVEN002

INVEN002 Menu

- Enter a National Stock number.
Select the Service or Agency that you think manages it.
- You may start the query immediately or input a delayed start date.

**For this
example: Enter NSN
and Start Now**

The screenshot shows a Netscape browser window titled "7. INVEN002 Form - Netscape". The address bar displays the URL "9/c4/7.frames?q=INVEN002&querytable=../docs/q.INVEN002&f=1.a". The browser's menu bar includes File, Edit, View, Go, Window, and Help. The toolbar contains icons for Back, Forward, Reload, Home, Search, Netscape, Print, Security, and Stop. Below the toolbar, there are links for "jbulko: Logout", "Main Page", "UNCLASSIFIED", "Comments", "Help", and "7.INVEN002". The main content area is titled "Query INVEN002 Entry Argument Form" and contains a blue underlined link: "Svc,NSN,Nomen,UL,O/H,DLDO,RO,Purp,Cond,RIC,DODAAC,Unit,Class,Rpt,DataTimeSta". The form consists of three numbered sections: 1. "Select Services/Agency:" with checkboxes for Army, Air Force, Marine Corps, Navy, and DLA, all of which are checked. 2. "Enter one or more National Stock Number arguments:" with a text input field containing the value "8405011000976". 3. "Choose when to start the query:" with three buttons: "Start Now", "Start Now (Background)", and "Start Delayed". The "Start Now" button is highlighted. To the right of these buttons is a "Clear Form" button. Below the "Start Delayed" button, there is a date and time selection area with the text "Until" followed by a dropdown menu showing "June", a slash, a dropdown menu showing "18", the text "at", a dropdown menu showing "07", a colon, and a dropdown menu showing "33". The status bar at the bottom of the browser window displays "Document: Done".

Query Results

The query results will include:

- Qty due-in
- Qty due out
- Purpose/condition code
- Storage RIC
- Unit and DODDAC
- Name and address
